1. Get enough rest this week! Sleep is crucial for good performances.
2. Stay hydrated and take care of your body! Make sure to get into the training room if you need it.
3. Keep putting the "we" before "me". You don't inspire your teammates by showing them how amazing YOU are. You inspire them by showing them how amazing THEY are.
4. Be sure to keep your teammates accountable. GET ON YOUR TEAMMATES. MAKE SURE THEY ARE PUTTING IN THE WORK TO BE SUCCESSFUL.
5. LOG YOUR RUNS! And add comments and offer encouragement to others. I am keeping track of how many burpees we have!
