IHSA AA Sectional @ Kaneland 2022 October 29, 2022

It's not quite the same without your teammates surrounding you. I imagine you might feel like you're on an island. On a perfect Fall day, Lauren and Diana's best effort would not be good enough to qualify for the State Meet. Thank you to those teammates that made the journey - Maggie Riley, Mary Kate Pinkelman, Simone Witort, and Taylor Koenig were all present to cheer on their teammates. It looks like Lauren and Diana are saying, "I can't wait 'till next year!" Congratulations and thank you to all of our athletes who made the commitment to Cross Country. That, in and of itself, speaks volumes. Mrs. Koenig and Taylor surprised us with new team t-shirts for every member of the team, including the coaches! Thank you! Thank you! Thank you!
